

We can hardly believe that the first term is almost over already!! The children have all settled in really well and we have enjoyed getting to know them as individuals.

Achievement wall

As some of you may have already noticed, we have a wall outside the Bumblebee room to display achievements. After the holidays, we would love it if all of the children could bring in a photo, picture or note with something they achieved during the holidays. We are particularly excited to see examples of children being SAFE, HEALTHY, ACHIEVING, NURTURED, ACTIVE, RESPECTED, RESPONSIBLE and INCLUDED.

Examples of this could include; remembering to look both ways when crossing a road, trying a new food, helping set the table. Really anything that makes you say, "Wow, well done". (If any parents achieve anything during the holidays we would love to see that too).

Bob the Bear says...

In line with Insch Schools vision, 'Reach for the Stars', we have our own nursery posters displaying our vision, values and aims.

We use these statements to reinforce positive behaviour in nursery.

Intergenerational Links

We have been in discussion with Drumdarroch Care home about creating intergenerational links within our community. Our aim is to take small groups of children on regular visits to the care home to take part in activities and build relationships with the residents. The first visit will be on Tuesday the 31st of October and the staff and residents are organising some Halloween themed activities. We will take 12 children from the morning and the same again in the afternoon. If your child isn't in the group this time, don't worry everyone will get a turn over the year.

31st October

Although we do not specifically celebrate Halloween in nursery, if children wish to come to nursery in fancy dress on Tuesday the 31st of October they are more than welcome to.

Reminder

Please, please, please ensure your child's name is on all jackets, sweatshirts, shoes and wellies. With so many children, we are finding it challenging to keep track of whose belongings are whose.
